Formez PA, Viale Marx 15 - 00137 Roma
 - Coordination and technical assistance of regional advisors during administrative burdens measurement
 - Lecturer on administrative burdens measurement at regional level;
 - Supervision of the evaluation activities in all of the four participating regions (Friuli Venezia Giulia, Emilia Romagna, Tuscany, Piedmont);
 - Direct supervision and assistance to the Working Group of Tuscany Region.
- 28/12/2007 - 31/05/2008 **Consultant on measuring admin. burden and simplification**
ANCI (association of Italian municipalities)
 Participation in a project for the diffusion and experimentation of simplification strategies in some municipalities. Management of the adm. burdens measurement and internal costs phases.
- Mar 2007 – Jul 2007 **Expert in Impact Assessment**
Formez PA, Viale Marx 15 - 00137 Roma
 Economic assessment of a proposed rule on “truffle-picking” by Calabria region. The assessment was part of a RIA.
- Dec 2006 – Feb 2007 **Consultant on Strategic Planning evaluation**
Formautonomie
 Evaluation of Naples strategic plan. The research report (together with other similar documents related to Italian and European strategic planning experiences) has been used by IRS to prepare a final report on the characteristics and effects of strategic planning processes.
- Nov 2006 – Sept 2007 **Consultant for the simplification project in Apulia Region**
Formez PA, Viale Marx 15 - 00137 Roma
 Main tasks: programming, delivering and monitoring the measurement of

the administrative burdens imposed by two regional procedures (related to European structural funds). Collaboration to the elaboration of a manual on simplification and admin. burdens measurement.

Sept 2005 – June 2006

Consultant, Expert in Impact Assessment

Consorzio MIPA – Consortium for the development of new methodologies in the public administration

Participation in the IA experimentation in Lombardia Region. Analysis of two proposed rules. Training on economic assessment and regulatory options. Collaboration to the drawing up of IA guidelines

Oct 2002 – June 2006

Expert in Impact Assessment

Presidency of the Council of Ministers - Department for Legal and Legislative Affairs, Piazza Colonna, Rome

Member of the RIA Unit establishing guidelines and methodologies for Italian Ministries. The RIA Unit is also in charge of monitoring the RIAs developed by ministries.

Oct 2001 – Jun 2007

Consultant, Expert in Impact Assessment

Consorzio MIPA – Consortium for the development of new methodologies in the public administration

Participation in the RIA experimentation in Tuscany Region (executive branch – Giunta regionale) on several proposed rules: energy efficiency in the building sector, public licenses of commercial businesses, new standards for museums, piercing and tattooing regulation, simplification of craftsmanship law, new fuel distribution plan. Technical assistance to the RIA teams in charge of developing impact assessments. Participation in the training courses organized each year (especially on the RIA process and on the economic assessment of regulatory options). Collaboration to the publication of the RIA Manual for Tuscany Region.

Nov 2005 – Mar 2006

Lecturer of Impact Assessment

Formez PA, Viale Marx 15 - 00137 Roma

Training course on RIA for the Umbria Region. Technical assistance to the regional RIA group in producing the impact assessment on a “plan of regional paths”.

Jan 2005 – Jun 2005

Consultant, Expert in Impact Assessment

Formez PA, Viale Marx 15 - 00137 Roma

Participation in the project “Analysis of the regulatory quality tools” currently used by Italian Regions. Training courses on the economic evaluation on regulatory options for several Regions.

30/09/2003-3/10/2003

Expert in Impact Assessment

14/04/2003-16/04/2003

Ministry of Economics and Finance

8/08/2002-15/08/2002

Participation in several Twinning Projects between Italy and the Czech Republic, the Republic of Lithuania, and Turkey

3/10/2005-4/10/2005

- Participation in twinning "Capital Markets Legislation and Regulation".
- Participation in the twinning project "Strengthening the Energy Market

Regulator".

- Establishment of a "Report on the implementation of RIA in the Czech Republic" presented and discussed with the Czech authorities

Jan 2005 – Jun 2005

Expert in Impact Assessment

Consorzio MIPA – Consortium for the development of new methodologies in the public administration

Training course on RIA for the Friuli Venezia Giulia Region. Technical assistance to the regional RIA groups in producing the impact assessment on two proposed rules ("reclamation of pollutes sites" and "hunting regulation").

Jun 2004 – Sep 2004

Expert in Impact Assessment

Isfol for the Ministry of Labor and Social Policy

Carrying out of the impact assessment of a proposed rule on social firm. The project is included in the PON ATAS activities Objective 1 2000-2006.

Jan 2004 – May 2004

Expert in Impact Assessment

Consorzio MIPA – Consortium for the development of new methodologies in the public administration

Participation in the pilot projects on the introduction of RIA in Lucca municipality. Training courses (also in Dec 2005) on RIA. Technical assistance on a "second level" RIA (impact assessment on the effects produced by a regional regulation).

Feb 2004 – Jul 2004

Expert in Impact Assessment

Formez for the Group of the Directors and Experts of Better Regulation

Participation in the project on RIA comparison in 10 EU Member States. The project dealt with the analysis of the methodologies and techniques currently used to carry out RIA, in order to select some core-aspects and best practices even in the light of the EC Impact Assessment procedure. A final Report comparing (on the basis of sample cases) methodologies and different approaches used in Member States was produced. The Report was sponsored by the Italian, Irish and Dutch presidencies of the Council of the European Union.

Jul 2003

Lecturer

Italian High School for Public Administration

Lessons in "Evaluation criteria for non-market goods" for the officials of Italian ministries

Jul 2003

Better regulation expert

Organisation for Economic Cooperation and Development (OECD)

Author of the "Report on the implementation of regulatory quality instruments in multi-level countries". Speaker at the "Expert Meeting on Regulatory co-operation between Levels of Governments" (Paris, 30 June - 1 July 2003) managed by the OECD "Public Governance and Territorial Development" office. Discussion with countries delegates.

- May 2003
Description of tasks
- Lecturer**
Italian High School for Public Administration
- Courses on “The RIA process and regulatory options elaboration” in the framework of the training course on RIA for the Campania Region Consiglio regionale (Legislative Branch).
Lesson on “Economic evaluation of the effects of regulatory proposals on citizens and businesses” in the framework of the training programme on RIA for the Italian ministries.
Courses on “Evaluation criteria for non-market goods” for the officials of Italian ministries.
